

## OVID newsletter issue 7 - February 2018

This newsletter was published before the contents were properly aligned with the member companies.

We apologise for any confusion or disruption that this may have caused your organisation and ask you to disregard this newsletter.

A correct newsletter will be issued next week.

The Oil Companies International Marine Forum (OCIMF) is a voluntary association of oil companies with an interest in the shipment and terminalling of crude oil, oil products, petrochemicals and gas.

Our mission is to be the foremost authority on the safe and environmentally responsible operation of oil tankers, terminals and offshore support vessels, promoting continuous improvement in standards of design and operation.
